Chales Dickens is one of the greatest writers in the English Language. His father had a good

job in an office in London, but he always spent more money than he got. There were eight children

in the family, so it was a hard life. Charles went to school and he was a clever student. Suddenly when

he was eleven his father went to prison and life became more difficult for the family , but Charles went

to work in a factory where he washed bottles. He worked ten hours a day and earned six pounds a week

Every night after work , he had to walk ten miles back to the room where he lived. He had little food to

eat . Charles hated those days and never forgot them.
